It All Started in 1982

When two brothers had this crazy idea to do something special. It started as a collaboration of two great minds, two thinkers, two artists. With dedication and will, UAF Photo Lab Ltd was born.

Today the father/son duo (pictured below) runs the show with high class and a friendly banter.

At UAF Photo Lab Ltd we value hard work, loyalty and integrity. We know how hard you work to capture your clients special memories and moments. It is imperative to us that our clients receive the best possible quality that goes into each album creation, photographic print and product.

We encourage you to continue shooting, and most importantly, keep printing your creations.

Returns and Refunds

UAF Photo Lab is proud of the product we produce. If in the event the order is damaged, or with manufacturing defect please contact us at customercare@uafimaging.com.

Sample Policy

UAF Photo Lab offers 50% discount on all Sample Products, except for acrylic prints and blocks. Acrylic prints and blocks get a 25% discount on samples. During the months of November and December Sample Products will be put on hold until January due to the high volume of orders during that time of year.

Gilding

Gilding is a great addition to give your album that extra luxury look.
We offer 24k Gold Gilding.

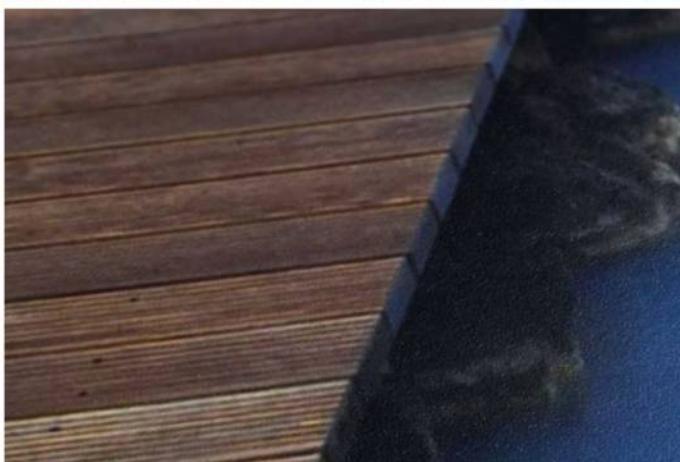

Paper Types

Luster:

Lifelike color reproduction resulting in accurate and vibrant colors with a "true-to-life" look.

Luster is included in our base price.

Deep Matte Paper

This paper has a true Matte finish and offers Bright whites with a wide color range. This paper is smooth to touch and is great with black and white, soft, light images, and skin tones

Metallic:

Pearl-like crystals give silver halide color prints a specific luster, creating a distinctive glossy "metallic" like appearance, sure to capture viewer attention! Metallic paper was designed to meet the growing, diverse demands for commercial prints and enables photographers to expand their customer print options.

Textured Linen:

This paper is a textured art paper. This featured a bright white 260g acid and ligning-free paper creating the highest image quality.

Paper Thickness

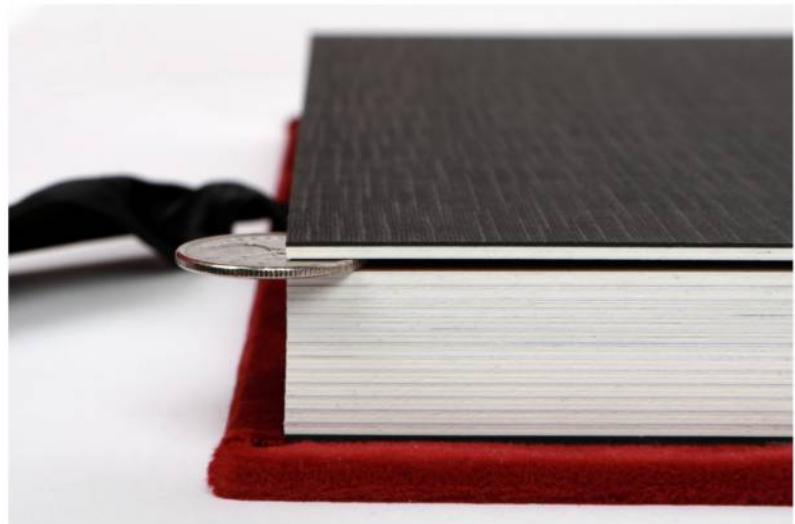

Thick .060mm

Left: Thick, Right: Double Thick

Thick or Double Thick pages are available on all paper types; Thick pages are mounted flush to a .060mm board and are included in our base price; Double Thick pages are mounted flush to a .12mm board and are optional as a upgrade.

Double Thick .12mm

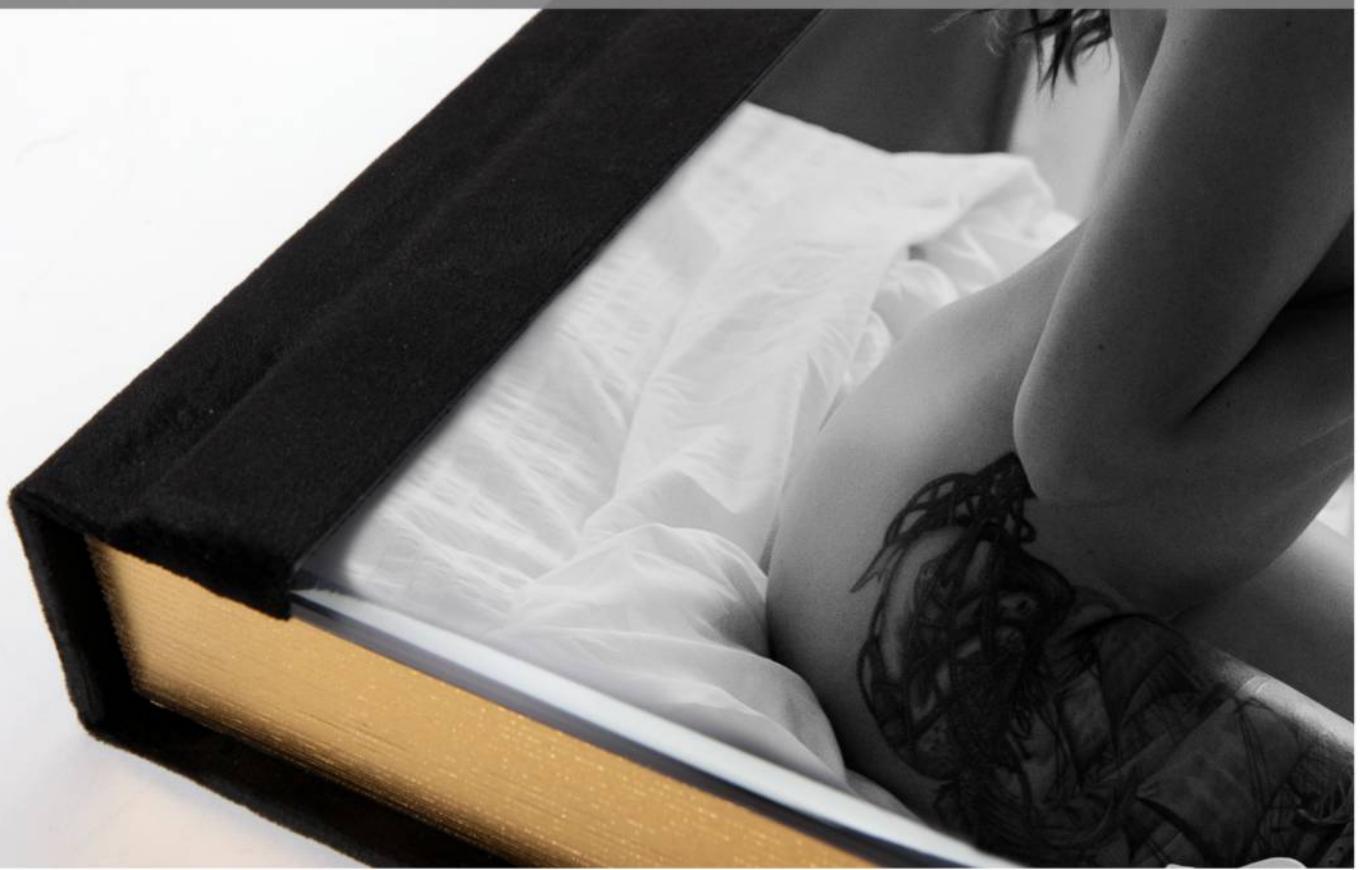

Left: Thick, Right: Double Thick

Acrylic

Acrylic Albums and Acrylic Pringing is available.
